**grain, grains**  [ɡreɪn]  
*(Nomen)*

**Definition:** the harvested seeds of various grass-related food crops e.g. wheat, corn, barley

**Übersetzung:** Getreide

**Beispiel:** We stored a thousand tons of grain for the winter.

---

**barley**  ['baɪli]  
*(Unzählbares Nomen)*

**Definition:** a strong cereal of the genus Hordeum, or its grains, often used as food or to make malted drinks

**Übersetzung:** Gerste

**Beispiel:** Did you harvest any barley last year?

---

**maize**  [meɪz]  
*(Unzählbares Nomen)*

**Definition:** the most widely grown crop in the Americas, a grass domesticated by indigenous peoples in Mesoamerica, also known as corn

**Übersetzung:** Mais

**Beispiel:** Because of its shallow roots, maize is susceptible to droughts.

**Homophon(e):** maze

---

**oats**  [ɔt]  

---
(Unzählbares Nomen)

**Definition:** a species of cereal grain grown for its seed, which is known by the same name, makes up a large part of the diet of horses and is regularly fed to cattle as well.

**Übersetzung:** Hafer

**Beispiel:** Oats are used in some brands of dog and chicken feed.

**rye** [raɪ]  
(Unzählbares Nomen)

**Definition:** a grass, closely related to barley and wheat, used for flour, rye bread, rye beer, some whiskies, some vodkas, and animal fodder.

**Übersetzung:** Roggen

**Beispiel:** Rye is grown primarily in Eastern, Central and Northern Europe.

**hop** [hɒp]  
(Unzählbares Nomen)

**Definition:** a small genus of flowering plants native to temperate regions of the Northern Hemisphere, from whose flowers beer or ale is brewed.

**Übersetzung:** Hopfen

**Beispiel:** Hop shoots grow very rapidly.

**wheat** [wɪt]  
(Unzählbares Nomen)

**Definition:** any of several cereal grains, of the genus Triticum, that yields flour as used in baking.

**Übersetzung:** Hafer

**Beispiel:** Oats are used in some brands of dog and chicken feed.
**Übersetzung:** Weizen

**Beispiel:** Wheat grain is a staple food used to make flour for breads, biscuits, cookies, cakes, breakfast cereal, pasta, noodles, couscous and for fermentation to make beer, other alcoholic beverages or biofuel.

**cotton**  [ˈkɒt.ən]  
(Unzählbares Nomen)

**Definition:** a plant that encases its seed in a thin fibre that is harvested and used as a fabric or cloth

**Übersetzung:** Baumwolle

**Beispiel:** Joan only wears cotton shirts.
